REMOTE · U.S. CITIZEN

Creative designer with 5+ years building high-impact visuals for non-profits, brands, and digital communities. I specialize in brand identity, campaign design, and social content that drives real engagement — and I bring the same level of craft whether the work lives on a screen, in print, or on a stage. Currently running Wave Creative House, my independent creative studio.

EXPERIENCE

2021
Present

CREATIVE DESIGNER

THE SQUAD — NON-PROFIT & COMMUNITY ORGS

- Designed social media graphics, posters, thumbnails, and print materials for non-profit and community organizations across the U.S.
- Built cohesive visual systems for fundraising campaigns, youth events, and seasonal sermon series — translating mission-driven messaging into compelling storytelling.
- Partnered directly with leadership and marketing teams to develop brand voices and campaign strategies from concept to delivery.

2021

GRAPHIC DESIGNER

VIVE MEDIA

- Created social graphics, thumbnails, and marketing assets for digital campaigns and live events.
- Produced on-brand visuals with fast turnaround across multiple concurrent campaigns.

2020
2021

JUNIOR GRAPHIC DESIGNER

VIBRANT MEDIA

- Designed social media and digital graphics for multiple client brands simultaneously.
- Produced promotional visuals for campaigns, events, and digital ad placements.
